Dear Dewey:

On behalf of the National Association of Home Builders' Multifamily Division, it is my distinct pleasure to congratulate Hampton Residential, LLC/Lane Company, and Restoration Consultants, Inc. General Contractor for being selected as the winner of the 2000 Pillars of the Industry Award for Related Capital Co. Best Multifamily Rehabilitation.

As the multifamily industry's most prestigious competition, the Pillars of the Industry Awards are designed to honor excellence in multifamily construction, management and marketing. Winning the coveted Pillars of the Industry Award is truly a mark of distinction, bestowed by your peers in recognition of Hampton Residential, LLC/Lane Company, and Restoration Consultants Inc. General Contractors superior achievement.

You should be particularly pleased and proud, as this year's competition had a record number of entries. Congratulations, again, and thank you for representing the very best of today's multifamily industry.

Sincerely,
