Re: Fire Restoration – Pensacola, Florida

Dear Dewey;

I would like to take this opportunity to thank you and your staff for their professionalism, efficiency, and integrity exhibited during the past months while completing two difficult, extensive restoration projects for us and our not for profit owners.

Your staff understood the difficulties for residents and management during such an undertaking and helped make the process as seamless as possible.

We would highly recommend your company to anyone requiring complex renovation skills and abilities.

Sincerely,

Michael G. Kent
President
