Dear Dewey:

I wanted to drop you a line and thank you for the work you and your company put into The Wall Street Tower job in Seattle. Once again, consistent with the twelve or so year's experience we've had, the job was done in a quality and professional manner. Your crews were sensitive to the needs of the elderly residents as well as management.

Please feel free to use me as a reference in any work you might pursue. I will be happy to discuss with anyone the remodeling job at Turtle Creek, the numerous fire jobs and of course the many exterior paint projects and wood replacement that RCI has performed for Simpson Property Group, LP over the years.

I look forward to our continued mutual successes in the years ahead.

Best Regards,
